

News About the Catlett & Calverton Wastewater Treatment Project

NEW WEBSITE IS UP!

www.CCWTP.FauquierCounty.gov

New Rule ... be sure to INCLUDE the “www.” on any browser.

This screen shot above shows what you'll find when you enter the URL above into the browser of your choice. To see much more – **SCROLL DOWN** – You'll find easy-to-use links to almost any information you seek about the Project and that is available to the public. Maps are there, too.

Need text in a language other than English? Look for the red circle above on the left. Find that area on your screen. Click that icon, and a drop-down list appears. “Select Language” allows you to choose from a number of languages other than English.
